### “LOOKING UP AND OUTWARD”

I am not sure about a lot of things. I am not sure about what will happen tomorrow. I don't know if I will see my next birthday or my next wedding anniversary. If we think about those things and our future, we all will admit that we cannot predict or know what will happen in the future concerning our lives on this earth. No one knows the future or what the future holds. However, we all know there are some things that are for sure concerning our future. For example, we know that God has redeemed us, because we know that just outside of a town in the Middle East called Jerusalem is a tomb that once held the body of a man whose name was Jesus. We know that his death ushered in our assurance of salvation. We know that his death was a promise of God who loves us so much, that he allowed the events of the cross to occur for us. Because we know that, we don't have to worry or be overly concerned about tomorrow, he has taken care of it for us. Wouldn't it be great if our friends and neighbors understood that they could have that same promise, and they no longer would have to be so concerned about tomorrow? Think about it!

I love you all! Jack Cummings
